

# 2010 SNOW – KING

**Vince Cangelosi** enjoys playing sports, hanging with friends and long walks on sandy beaches. Vince has been involved in Baseball, Hockey and Football at Mentor High School. Vince plans on graduating from Mentor High School and then going off to college to get both his Bachelor and Masters Degree. Vince would like to continue playing sports at the college level. Vince would like to be Snow-King because it would be SWEET!!!!

**Justin Coughlin** enjoys sports. He is Notre Dames biggest fan. He is an avid Cubs fan, and loves Brady Quinn, however nothing is better than leading the student section at basketball games. Justin has been involved in football and student advisory. Justin plans to go to either Toledo or Ashland and major in Education. Justin loves the show GLEE and would like to be Snow-King because he would be remembered forever, and would cherish the love and respect displayed by his peers.

**Ryan Judy** enjoys making movies, photography and going to concerts. Ryan has been involved in Interactive Media, Future Leaders, yearbook, and GAHTAH. Ryan plans on attending Ohio University and majoring in Public Relations. Ryan hopes to become famous and make a positive impact on the world. Ryan would like to be Snow-King so that he could leave a lasting impression and good memory of his time at Mentor High.

**Tyler Lowe is escorted by** Tyler enjoys running, and beating his sister at games such as SORRY. Ryan is involved in Track and Cross Country as well as National Honor Society. Ryan plans to attend The Kent state University and become a Firefighter, mailman, and History teacher all at once. Ryan really enjoys

Apple Pie and would like to be Snow-King because he loves Snow...

**Michael Motsch is escorted by** Michael enjoys Fishing, Laser Tag, Cooking and just chilling. Michael has been involved in Football, Track, and snowboarding. Michael plans to attend The Kent State University in the fall and study Zoology, and travel the world. Michael was forced to wear dresses as a child because he was the baby of his family, Michael would like to be Snow-King because he is a good guy who is not mean.

**Travis Moss is escorted by** Travis enjoys hanging with his beautiful girlfriend, and his best friend. Travis has played football all four years while at Mentor High. Travis plans to attend Lakeland and become a firefighter, and spend countless days with his girlfriend. Travis claims Math is his favorite hobby and says Mr. Janiak is his best friend. Travis would like to be Snow-King so that he could make his parents and his girlfriend proud.

**Keith Nadrah** enjoys playing sports and hanging with all of his friends. Keith has been involved in Soccer, Baseball, Student Government, and Future Leaders. Keith plans on attending college and majoring in Sports Journalism. Keith does not like people talking in Third-Person. Keith would like to be Snow – King to be recognized by his peers.

**Dan Noviski** enjoys snowboarding, baseball, and finding good Sushi bars. Dan has been involved in Hockey, national Honor Society, Science Olympiad, and Buckeye State. Dan plans on attending Miami University and majoring in Finance. Dan would like everyone to know that he plans on taking a service trip to the Dominican Republic. Dan would like to be Snow – King because it is one of the few awards that his brother did not win.

**Jaimin Shah** enjoys hanging with friends, volunteering, and learning new and exciting facts. Jaimin has been involved in Student Government, Model UN where he was the President, National Honor Society, Academic Decathlon, Future Leaders, Future Educators, math league and Captain of the Prestigious Science Olympiad. Jaimin plans on attending Duke University and double majoring in Bioengineering and Biochemistry. Then attending John Hopkins and attending Medical School. Jaimin would like to be Snow-King to prove he is much more than just a smart guy, and is as social as anyone else.

**Matt Weber** enjoys Swimming Science and Surfing the Internet. Matt has been involved in Student government, Captain of the Swim Team, Model U.N., Web team and Science Olympiad. Matt plans to attend college and major in Electrical and Computer Engineering. Become a Naval Officer and retire somewhere warm. Matt is allergic to hair dye, and would like to be Snow – King to provide a good influence to younger students. Proving that it is possible to balance sports academics and a social life.
